To whom it concerns,

HMD Kontro Seal/Less Pumps have authorised Greenpumps Italy to be the manufacturer and supplier of Caster parts that has been dis-continued by HMD Kontro in 2009.

HMD Kontro no longer supply the Caster range and to allow the continued support of this product range it has been agreed that Greenpumps would take ownership of patterns and equipment to continue the supply of supporting pumps or spares to our worldwide customer base.

I can confirm that Greenpumps Italy is the authorised supplier of all Caster pumps & spares.

Yours Sincerely,

Vincent Lee
